Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

Thank you for the opportunity to respond to this PoSS. Firstly I am disappointed the Government has timed the period for consultation over the Xmas/New Year period when most people are distracted by the Festive Season or are away on holiday.

I have read and fully endorse the submission made by Our Place - Hobart.

The traffic congestion in Hobart around Macquarie Point is already horrendous and these proposed events will only serve to increase the problem.

Yours faithfully,

Stephen Bayley
